### NOTES:

1. Under NO circumstance should Spanish Education majors be allowed to not register for a Spanish class their first semester. **They need to register for Spanish classes from the beginning.**
2. All students with more than two years of Spanish at the high school level must take the online language placement exam ([www.etown.edu/modernlanguages](http://www.etown.edu/modernlanguages)) before registering in a language course for academic credit, unless the student begins a new language. A student with more than two years of Spanish cannot take SP 111. Spanish Education majors ideally start in 211 or higher.

6. A minimum of 15 credits in the major language must be taken in a study abroad program, such as BCA. Specific course requirements to be taken abroad are outlined on the Spanish Major with Education Certification (K-12) check sheet ([www.etown.edu/registation/checksheets](http://www.etown.edu/registation/checksheets)).
7. The ED 470 (Professional Internship) and ED 497 (Senior Seminar) must be taken simultaneously.
8. Spanish Education majors must complete the Spanish Major Portfolio as a graduation requirement. **They should begin collecting the materials for the portfolio during their first 300-level course.**
9. By the end of the final semester, students must receive a rating of Advanced in an oral exam.
10. Spanish Education majors must obtain certain minimal scores on the required certification exams before becoming certified to teach.
