

FIRST YEAR STUDENT ADVISING SHEET

MAJOR: **Information Systems**

COURSES REQUIRED BY THE MAJOR

First Semester

- CS121 Computer Science I (see note)

Second Semester

- CS122 Computer Science II (see note)

NOTES:

* CS121 and 122 are prerequisites to upper level courses in Computer Science and must be taken before upper level courses can be attempted. Placement above CS121/122 for incoming students is done either by AP exam credit or through discussion with the course instructor and the department chair.

Students interested in Information Systems should contact Tim McDevitt, Chair of Mathematical and Computer Sciences (McDevittT@etown.edu, 717-361-1337).
