NOTES:

1. This course may be taken any semester. Required for all majors.
2. This course may be taken every fall term. Required for all majors.
3. This course may be taken every other spring term. Required for all majors.
4. The prerequisite for TH230 and TH235 is TH165. TH230 and TH235 are offered in alternating spring terms. They are both required for students in the theatre performance concentration, NOT in the technology concentration.
5. Theatre majors in the performance concentration are required to take DA101, offered every semester. Theatre majors in the technology concentration are required to take ART105, offered every semester.
6. The Theatre and Dance Division strongly advises that first-year students take at least two of the following three courses during their first year at the College: TH105, TH155, and / or TH165.

Students interested in Theatre should contact the Coordinator of the Theatre and Dance Division, Baugher Student Center 109, extension 1160.
