Step-by-Step Instructions to Apply for **Financial Aid**

1 Complete the 2014–2015 Free Application for Federal Student Aid (FAFSA) prior to March 15. Elizabethtown College's Federal School Code is **003262**. (If you wish to file a paper FAFSA, a copy can be obtained by calling 1-800-4FEDAID.)

Apply online at: **www.fafsa.gov**. Completing the online FAFSA is much more efficient and timely than completing a paper FAFSA.

Before using FAFSA online, apply for a Personal Identification Number (PIN) at **www.pin.ed.gov**.

- » The Federal PIN will serve as your electronic signature, and a FAFSA on the Web Signature Page will not have to be mailed to the federal government.
- » Parents and students should each have their own Federal PIN.
Only one parent needs a Federal PIN.
- » You do not need a Federal PIN to use FAFSA on the Web, but having one will speed up the process.

We recommend that you wait to file the FAFSA until you have completed at least a draft of your 2013 federal income tax forms. The FAFSA website offers a "FAFSA on the Web Worksheet," which you can print and use to prepare your information for completing the application on the Web.

2 Complete the enclosed Elizabethtown College Need-Based Financial Aid Application. Your Student ID is listed in the cover letter that came with these instructions.

3 Photocopy parents' and student's 2013 federal income tax returns (including all schedules and parent W-2 forms). Sign and date the copies, and mail them to Elizabethtown College no later than **March 15**.

Note: If a federal tax return is not filed for the student, that information will be reported on the Elizabethtown College Need-Based Financial Aid Application. If a parent also is a nonfiler, contact the Financial Aid Office.
