## Prestigious Scholarships and Fellowships

### Do Something Amazing!

By the numbers (past 25 years): 19 Fulbright Scholars, 19 Gilman Scholars, 12 Finnegan Fellows, 3 Goldwater Scholars, 1 Davies Jackson Scholar (Cambridge University), 1 Rhodes Scholar (Oxford University); Will you be Elizabethtown College's next Rhodes Scholar, will you be awarded a Fulbright or a Goldwater, will you study abroad as a Gilman Scholar or join the list of 3 Blue Jays awarded a Critical Language Scholarship? Prestigious Scholarships and Fellowships are highly competitive awards sponsored by the U. S. Department of State and International Universities to fund American students to study, work, and serve abroad. The concept is called "Citizen Diplomacy" where American undergraduate and post graduate students, from all academic disciplines, study and serve abroad establishing relationships to bolster international relations and American diplomacy, consistent with our motto: "Educate for Service." If you are interested in applying for a Prestigious Scholarship or Fellowship or applying for a Summer Enrichment Grant through the Office of Prestigious Scholarships and Fellowships, please contact Professor Jean-Paul Benowitz to schedule an appointment.

## Career Services

Career Services congratulates our Emergent Scholars on their success. To continue this progress, we are here to help. Our office assists students with all aspects of their career development, including clarifying their career decisions, crafting plans of action that include activities and professional associations, connecting students with employing organizations, and developing the professional skills needed to reach their goals. By facilitating networking connections, employment, and internship opportunities, Career Services empowers students to pursue the recommended 2-3 career-related activities during their time at the College. In addition to Handshake, Elizabethtown College's job/internship posting system, Career Services promotes five to seven virtual or in-person career fairs each year that target employer connections for all majors and years of study. Through individual and in-class career coaching, students learn to effectively tell their stories to potential employers in application materials, social media profiles, and interviews. Signature programs and online resources such as EtownConnect, a collaboration with Alumni Relations, and Big Interview further enhance opportunities for students to virtually practice their networking and internship skills. Through internships, the Wings of Success program, and Parker Dewey micro-internships, students can engage in learning experiences that allow them to apply the skills gained in the classroom. Career Services lives out the alumni association slogan "Blue Jays. Always." by providing lifetime service through ongoing support for your career development.
