# **Prague Program 2020**

## **Frequently Asked Questions**

### **What is the Prague program?**

The Prague Program is an international experiential learning opportunity for students at Elizabethtown College. Sponsored by the Department of Business, the program integrates coursework (before and after the trip) for Entrepreneurship in the Emerging Economies, along with a 7-night stay in Prague. In Prague, you will attend lectures, field trips, field exercises, and learn about the cultural and economic aspects of Prague and the European Union. Visit our website at <http://www.etown.edu/depts/business/study-tour.aspx> for more details.

### **When do we leave for Prague and when do we get back?**

We depart from E-town by bus on February 28, 2020 and arrive in Prague the afternoon of February 29, 2020. The group returns on March 7, 2020.

### **What's the course like?**

Entrepreneurship in the Emerging Economies (FBE 450) is a 4-credit business course that involves the use of a business simulation. Students research possible business opportunities, investigate logistics, write a business plan and present it to a group of hypothetical investors. Several other short papers are due during the course of the spring semester.

### **Who will be on the trip?**

Twelve-fourteen of your fellow students will be accompanying you with Dr. Dmitriy Krichevskiy, from the Department of Business. Once you arrive in Prague, you will also travel with our educational partners who provide logistical support in Prague. Our partners are Czech natives who are fluent in English and well-educated about the global business sector, European politics and Prague's culture.

### **How much does it cost?**

The total program fee is \$1,295. This includes all hotel accommodations in Central Prague, transportation in Prague, dinner on arrival night, farewell banquet in Central Prague, professionally guided tours, all field trips and business meetings, lecture fees, lunch overlooking the Prague Castle, museum admissions, field trip into the Czech countryside and tour of Karlstejn Castle, and all taxes and tips. This fee **DOES NOT** include airfare. Airfare has ranged from \$800-\$1,200 in the past few years. The airfare will be announced on or about November 1st. Students must travel with the group.

### **Where do we stay in Prague?**

Accommodations (double) are provided for the group at a hotel in city center in one of the most historic districts in Prague. The hotel has a 4-star European rating (with breakfast included) and is walking distance from all major sites. The reception desk is staffed 24/7 by English-speaking employees.

**I'm interested, is there more information?**

See the Department of Business website (<http://www.etown.edu/depts/business/study-tour.aspx>) for more information and a brochure. A brochure and application materials are also available in the Department of Business office (Hoover 204) from Ms. Shari Kain.

**May I come on the trip without enrolling in the course?**

No. The course and the trip are integrated as one program.

**May I take the course without the trip?**

No. The course and the trip are integrated as one program.

**Do I have to pay extra for the 4-credits?**

No, UNLESS THE COURSE TAKES YOU INTO AN OVERLOAD SITUATION (more than 18 credits) FOR THE SPRING SEMESTER. In that case, you'll need to pay the additional fees per credit just as you normally would for an overload.

**OK. I'm psyched. How do I apply?**

See the Department of Business website (<http://www.etown.edu/depts/business/study-tour.aspx>) for more information and a brochure. A brochure and application materials are also available in the Department of Business office (Hoover 204) from Ms. Shari Kain.

**Should I apply if....?**

All business majors and minors are encouraged to apply in order to enhance their global business awareness and skills. However, the program is open to all majors. Sometimes, questions arise as to individual circumstances on whether to apply:

***I'm not a business major or minor.***

Absolutely apply! Each year we have about 30% of the class that are non-business majors who complete additional reading assignments to familiarize themselves with the business and legal expression used in the business curriculum and they have been successful in the coursework and marveled at the trip.

***I'm a First-Year.***

You may want to wait until next year. In the last few years, there have always been a sufficient amount of upperclassmen that apply that FYS have not been accepted. But the program is run every year—so there is still plenty of time in your career at E-town to participate in the program.

***I'm on academic probation.***

You may apply. At the discretion of the Prague Program Directors, Dr. Sean Melvin and Dr. Dmitriy Krichevskiy, students on academic probation may still be admitted under certain circumstances.

***I'm on disciplinary probation and/or have been banned by the Dean of Students from living on campus and/or coming on campus during weekends.***

Please don't apply. All students must be in good standing with the Dean of Students at the time of the application and trip.

**Elizabethtown College Department of Business**  
**Prague Program Policies**  
**THE FINE PRINT....NICE AND BIG**

**It is important to read both sides of this sheet thoroughly** since it provides the Program's policy towards important issues such as refunds, unexpected price increases, insurance and other aspects of the Program. Students should talk with their parents concerning these policies. **By signing the Program Application (included in the Program Information Packet), student applicants are expressly acknowledging and agreeing to the program policies contained in this document.**

**1. Program Fee and Payment Instructions**

The program fee for 2020 is \$1,295. THIS DOES NOT INCLUDE AIRFARE. Accepted students must use the airfare that is booked for them through the College Travel Agent. The airfare has ranged from \$US800-1200 in past years.

Payments for the program fee can be made to the College Cashier via check, charge or debit card. Be sure to indicate to the Cashier that this is a payment for the Prague program and obtain a receipt for your payment. Or, you can pay online at [www.etowncollegeonline.com/prague2020](http://www.etowncollegeonline.com/prague2020) (Visa, Mastercard, American Express & Discover are accepted). **\$500 is due by November 30<sup>th</sup> to reserve your seat.** Airfare is due January 1, 2020. The balance of the program fee (\$795) is due by February 1, 2020. **Failing to make a payment on time will jeopardize an accepted student's spot in the Program.**

**2. Travel Agent Documentation and Flight Information**

You will need to possess a valid passport, *not expired*, matches your full name, date of birth, passport number, special meal requests for international flights, such as; vegetarian or kosher, allergies to certain foods, etc.

**3. Refund Policy**

Upon a request by an accepted student for a refund, the Program Director will use best efforts to fill the spot. If the spot is filled, a full refund will be made. **In the event that, after a reasonable time period, the spot is not filled, no refund can be made since the funds are already committed to various vendors based on the student's representation that he or she would be participating in the program.**

**4. Unexpected Price Increases**

Every effort is made to keep the Program fee at its current low price. However, due to the problems inherent in advanced financial forecasting regarding fuel prices (that affect airline rates) and currency fluctuation (that affects accommodations rates), one must always be prepared for the unlikely possibility that an additional fee will be required of the Program participants. The Director will make every effort to contain costs to keep the fee at the rate published in #1. However, the Program cannot guarantee the rate.

## 5. *Insurance*

- *Medical/Emergency Insurance*

All Elizabethtown College study abroad students are provided with major medical insurance and emergency evacuation services through Cultural Insurance Services International (CISI) for the duration of their studies abroad. There is no additional fee for this coverage. The Study Abroad Office will register all students for CISI prior to your trip.

The Czech health care system does not cover foreigners and therefore cash or credit card payments are expected by physicians, dentists, and hospitals for treatment. You should review CISI's information, prior to departure, so you're aware of how to request medical reimbursements for all medical expenses or emergency care while traveling abroad.

- *Flight cancellation Insurance*

In the event that you are unable to travel due to severe injury or illness, death in the family or another emergency, the airline tickets are non-refundable. If you would like to purchase flight cancellation insurance, you can explore coverage through companies such as International Student Identity Card (ISIC) program.

- *Luggage/Theft Insurance*

Policies, such as the ISIC program, may reimburse you for losses resulting from the airline losing or damaging your luggage and/or its contents. It also pays the insured in the event the luggage or its contents are stolen. Many homeowner insurance policies contain similar coverage, so check with your parents/guardian's insurance agent if you're not sure.

## 6. *Agreement to Repay*

In the event that your accidental or purposeful conduct results in the College expending funds on your behalf while here or abroad, **you expressly agree to repay the full amount to the College promptly after returning to the United States.** You also agree that any such liability shall automatically become a charge on the student's College account that must be paid prior to any further enrollment.

## 7. *Unexpected alteration of Program events and schedule*

Traveling abroad requires maximum flexibility in scheduling. While every effort is made to comply with the schedule outlined in the Program Information Packet, the Program cannot guarantee any particular event or time schedule. Therefore, the Program reserves the right to amend the Program agenda or activities in the Director's sole discretion without liability.

## 8. *General policy regarding student conduct.*

Students are expected to abide by the Elizabethtown College Code of Student Conduct and the College's Pledge of Integrity during the entire Program. Students committing violations of the Code of Conduct or the Pledge of Integrity while in Prague will be dealt with in accordance to the College's established judicial procedures. The Director reserves the right to remove any student committing any violation of the aforementioned policies at the Director's sole discretion.

***I have read both sides of "The Fine Print." I understand the policies of the program and agree to abide by them.***
