## Meal Plan Contract – Summer 2023

### Summer Meal Plan

Rates and details for the 2023 Summer Meal Plan are outlined below. Summer Meal Plans are optional as there are NO mandatory meal plans during the summer months. We have attempted to incorporate as much flexibility in the use of the plan as possible.

The cost of the Summer Meal Plan is \$125.00 per week, which will provide 15 meals per week – Breakfast, Lunch and Dinner – Monday through Friday, with the exception of (6) Friday Dinners throughout the summer. Those Friday are 5/25, 6/2, 6/9, 6/16, 7/6, and 8/1. The price per week is reflective of these Friday Dinner closures. This plan allows for (1) meal *per meal period*. At the end of the week, all unused meals are forfeited. You will also receive \$10 per week in Jay Bucks to spend with this plan. These do NOT roll over from week to week. These Jay Bucks do not carry over into the fall semester and are non-refundable.
