

Photo Release Form

All photographers taking photographs on Elizabethtown College property or of College events must obtain a signed release form from any member of the public who is visibly recognizable in the photograph. Crowd scenes where no single person is the dominant feature are exempt. These rules govern photographs intended for use in any College publication of a marketing or a public relations nature, such as the alumni magazine, newsletters, brochures, promotional items or other such material. Releases also must be obtained for photographs used on the Web. These rules are not in effect when photographs are taken of news events, but photographs taken for news purposes require a release for reuse in marketing materials.
