

# Etown's Preliminary Check-In

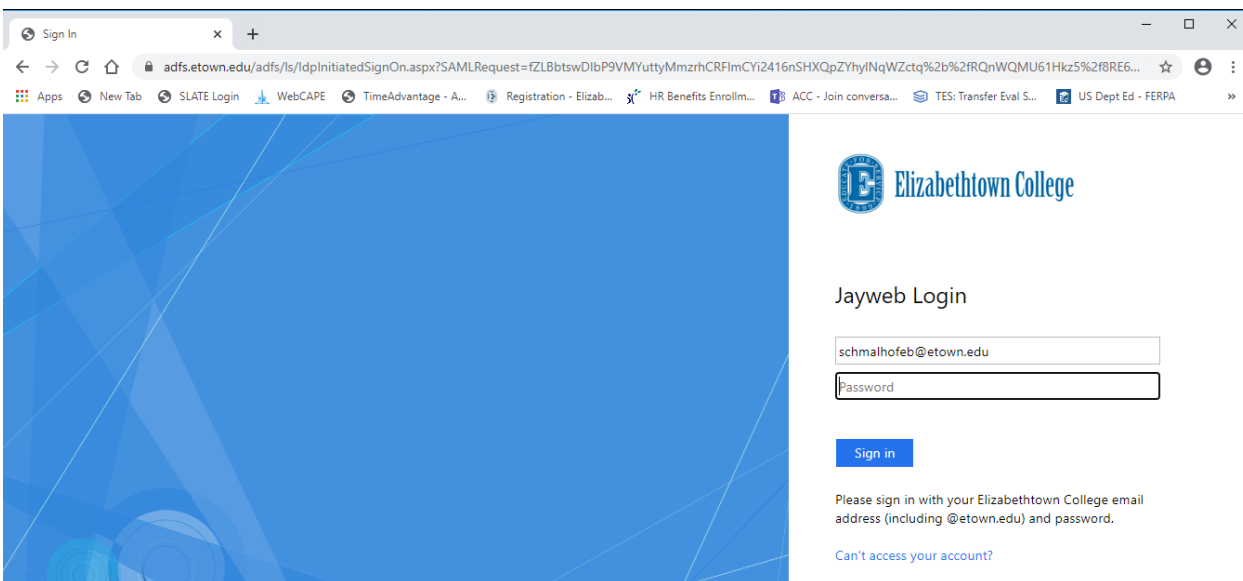

All Students are required to complete the online Preliminary Check-In which is available by logging into JayWeb. A registration hold has been placed on your account. You will not be able to make schedule changes or register for the next semester until the Preliminary Check-In has been completed. Also, we will not be able to validate your ID if the Preliminary Check-In is not complete. If your ID is not validated you will not be able to use it for meals or make purchases on campus.

## How to Access JayWeb

You can enter the full web address - <https://jayweb.etown.edu> or when you are on campus just type Jayweb in your web browser. JayWeb is now integrated into the unified log-in process with email, Canvas, and Zoom. To begin, click on the Login Button to be prompted for your full email address and password

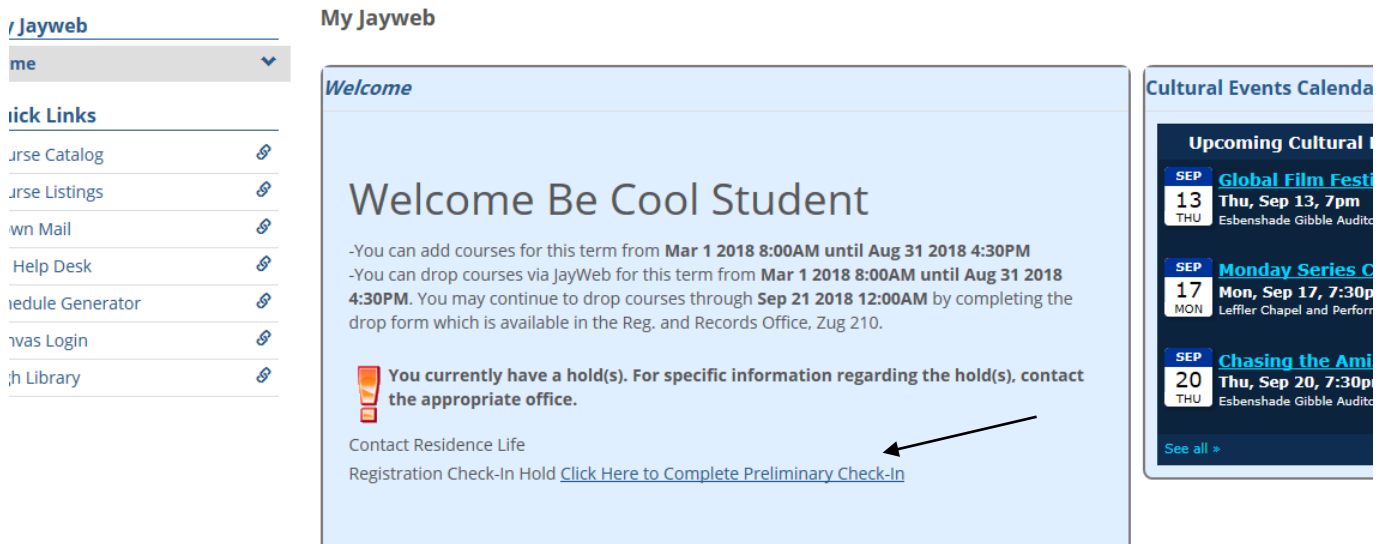

When the login page appears enter your user name and your password (same as your Etown email account including the @etown.edu). If you do not know your email information contact our ITS Help Desk at 717-361-3333.

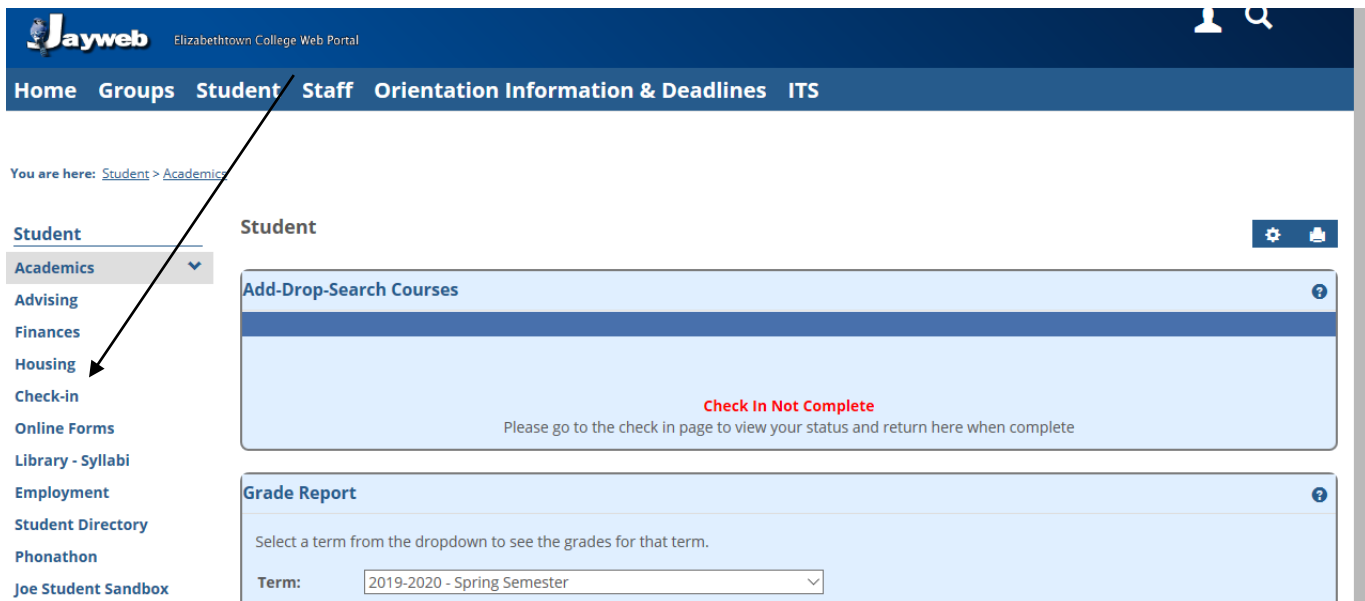

## How to Access the Preliminary Check-In page:

When you log into JayWeb the Welcome page will have a link to access the Preliminary Check-In page.

The screenshot shows the 'My Jayweb' interface. On the left is a navigation menu with 'Quick Links' including 'Course Catalog', 'Course Listings', 'Email Mail', 'Help Desk', 'Schedule Generator', 'Canvas Login', and 'John Library'. The main content area is titled 'Welcome' and features a large heading 'Welcome Be Cool Student'. Below this, there are two lines of text: '-You can add courses for this term from Mar 1 2018 8:00AM until Aug 31 2018 4:30PM' and '-You can drop courses via JayWeb for this term from Mar 1 2018 8:00AM until Aug 31 2018 4:30PM. You may continue to drop courses through Sep 21 2018 12:00AM by completing the drop form which is available in the Reg. and Records Office, Zug 210.' Below the text is a red warning icon and the message: 'You currently have a hold(s). For specific information regarding the hold(s), contact the appropriate office.' Underneath, it says 'Contact Residence Life Registration Check-In Hold' followed by a blue link: 'Click Here to Complete Preliminary Check-In'. An arrow points to this link. On the right side, there is a 'Cultural Events Calendar' widget showing upcoming events like 'Global Film Festival' and 'Monday Series Concert'.

If you need to get back to the Check-In page from another screen within JayWeb, look for the **Check-In** link under the Student tab. You will be able to access the Status Page here. If you need to update your Emergency Contacts throughout the year, click on the **Emergency Contact Page** link.

The screenshot shows the 'Jayweb Elizabethtown College Web Portal' interface. The top navigation bar includes 'Home', 'Groups', 'Student', 'Staff', 'Orientation Information & Deadlines', and 'ITS'. Below the navigation bar, there is a breadcrumb trail: 'You are here: Student > Academics'. On the left, there is a 'Student' menu with a dropdown arrow, containing links for 'Academics', 'Advising', 'Finances', 'Housing', 'Check-in', 'Online Forms', 'Library - Syllabi', 'Employment', 'Student Directory', 'Phonathon', and 'Joe Student Sandbox'. An arrow points from the 'Check-in' link in the menu to the main content area. The main content area is titled 'Student' and contains two sections: 'Add-Drop-Search Courses' and 'Grade Report'. The 'Add-Drop-Search Courses' section has a red message: 'Check In Not Complete' and a sub-message: 'Please go to the check in page to view your status and return here when complete'. The 'Grade Report' section has a dropdown menu for 'Term:' with '2019-2020 - Spring Semester' selected.

Students will have different links depending on their current status. All students will have the first two requirements to complete.

- Update Emergency Contact Information
- Update Personal Information

Students can have additional links if they meet these requirements:

- Update Grad Info (students with 72 or more credits completed)

- Local Address (students who are living off-campus)
- Declare Major Info (spring semester for first year students)

## How to Update Emergency Contact Information

Several years ago Elizabethtown College implemented a new emergency notification system called EC Alert. Typically, EC Alert messages will be sent to students via campus email. For immediately life-threatening and potentially catastrophic emergencies, though, the College has contracted for a service that will send EC Alert notices to cellular phones and text-enabled devices – such as PDAs and text phones – in addition to email notices. Through this system, parent(s) or guardian(s) can be notified of serious emergencies, such as a residence hall fire or tornado touchdown on campus. You are required to provide emergency contact information for yourself as well as a primary contact and secondary contact. Click on the link ‘Update Emergency Contact Information’.

- **For new students**, a blank record will appear requiring you to add data about yourself.
- **For returning students**, the fields will be pre-populated with information that was provided in the past. Verify the information and make changes if necessary.
