

*The gifts he gave were that some would be apostles, some prophets, some evangelists, some pastors and teachers,
to equip the saints for the work of ministry, for building up the body of Christ.
Ephesians 4:11-12*

The Susquehanna Valley Ministry Center continues to fulfill its mission of Church of the Brethren ministry training in local settings. SVMC is supported by the five districts of Atlantic NE, Mid-Atlantic Middle PA, Southern PA, and Western PA, and in partnership with Bethany Theological Seminary and Brethren Academy for Ministerial Leadership. Nineteen courses are scheduled this academic year as well as several excellent continuing education opportunities for clergy and interested lay persons.

SVMC is dependent upon the financial support of the districts, congregations, and individuals as we provide ministerial training to students answering the call to ministry. The support of individuals is incredibly important!

Please consider how you can support SVMC as we continue to serve students as they seek training to serve Christ and the Church.

Please mail your donation (check) to the following address. (We currently cannot do online donations.)

Susquehanna Valley Ministry Center
One Alpha Drive
Elizabethtown, PA 17022

Blessings!
Thank you!
